Dear Potential Sponsor:

Online Mission: "To be able to bring a definite end to poverty in Africa we must address persistent and growing poverty experienced by women and girls and tackle structural causes of gender inequity that perpetuate its cycle." AfricaConnect allows people from Africa and its diaspora to be educated and informed about the most recent sustainable development efforts. By connecting them with their roots and promoting sustainable development through authentic African music and arts: the real story behind events occurring on the African continent and the United Nations and bringing light to the passion and courage of those who seek to change the future sustainably.

The more who join us the louder our voices will be and the bigger our impact will be. Please join us in our mission with a basic sponsorship of \$35. Premium sponsorships begin at \$150. Visit our website for sponsorship levels and follow the instructions for payment. Your sponsorship will be used to expand our reach and to help support African entrepreneurs in need of start-up financing or have need of your services. Each level of sponsorship will be posted for a specified time limit.

We look forward to having you as part of our team. Please contact us at [info@africaconnectonline.com](mailto:info@africaconnectonline.com) with any questions or for further information.

Sincerely,
